**2 Read the following, then answer the questions:**

The Ancient Egyptians were great people. They built many great cities. We know some of them and there are others that we don't know yet. The city of Edfu, which is located to the west of the River Nile, is known for the famous Temple of Horus. For hundreds of years, people forgot about the temple until 1860, when a Frenchman, Auguste Mariette, found part of an arch in the sand. He realised that there were 12 metres of sand on top of the ancient building. People carefully took the sand off the temple and today it is one of the biggest temples in Egypt. Tourists have to buy a ticket to look around the temple, which is more than 2,000 years old. Tourists who go to the temple always remember this **awesome** building.
